

Macquarie University's Actuarial Experience Day

Agenda

Thursday, 20 April 2017

Time	Activities
8.30pm	Registration
9am	Welcome to Macquarie presentation
9.40am	What does an actuary do? Find out about the role of an actuary and what job opportunities are available. Learn how our Bachelor of Actuarial Studies prepares you for a successful career and about our exciting new Co-op program.
10.40am	Actuarial workshop: retirement funding and financial modelling. See how Mathematics is applied by actuaries in business.
11.45am	Lunch (voucher will be provided)
12.45pm	Campus tour (optional) Students have the option of taking a campus tour or to depart the university.
1.45pm	Q&A with student ambassadors (optional) Students are invited to attend a Q&A session with Student Ambassadors to learn more about uni life and what's on offer at Macquarie University.
2.45pm	Conclusion and wrap up game (optional) Students who have opted to stay for the campus tour and Q&A session are welcome to attend the wrap up for Macquarie in a Day session to conclude their experience at the university.
